

Something's Phishy...

Can You Detect It?

For each of the sample emails below, determine if it is a phishing email or a legitimate email and circle your answer. If it is a phishing email, circle or highlight whatever indicates to you that it is illegitimate. On the right, write a brief description of why you think the email is a phishing email.

1. Phishing or Legitimate ?

Welcome. We're glad you've joined us.

Your Adobe ID links all of your Adobe experiences under one account, using this email address. Here are some great ways to leverage it.

- Pass projects seamlessly between desktop and mobile devices. If you don't have the **2015 release of Creative Cloud**, test drive **free 30-day trials**.
- Get started with **Creative Cloud Libraries**. Thanks to the power of Adobe CreativeSync, this in-app feature gives you easy access to all of your design assets as you work.
- Jumpstart your projects with integrated **Adobe Typekit fonts** and 40 million images from **Adobe Stock**.
