

# Sharing Preferences: Build Your Own Discussion Guide

Who's sharing information about you? Do they know what your sharing preferences are? Do you know theirs?

Complete both sides of this worksheet and then use it to help you discuss sharing preferences with the people you name!

Question	Person 1	Person 2	Person 3
Name the 3 people who share the most about you online.			
About how many times per month does this person post about you?			
Do you feel comfortable with what this person posts about you?			
Does this person ask your permission to post about you?			
Would you prefer that this person ask your permission?			
Are there particular types of things that you would like this person to stop posting that involve you?			

Question	Person 1 (cont.) Name: _____	Person 2 (cont.) Name: _____	Person 3 (cont.) Name: _____
Do you post about them? If yes, do you ask their permission?			
How often do you post about this person (per month)?			
Do you know this person's preferences? What are they?
