

# “You’re Leaving Footprints” Presentation

## *Graphic Organizer*

By the end of today, I will be able to...

- Identify and give examples of online and offline activities that contribute to my information footprint.
- Identify at least three ways to change the size and impact of my digital footprint.

Principle: \_\_\_\_\_

### Video Notes

|   |                                     |   |
|---|-------------------------------------|---|
| What information do you purposely share online? | What about the video surprised you? | What information do you share online, but NOT on purpose? |
|---|-------------------------------------|---|

When you use a website or app, what kinds of metadata do they collect?  
 What’s metadata?  
 What are some places you can find metadata?  
 What kinds of information can be metadata?

## Extend Your Thinking!

|   |                                     |
|---|-------------------------------------|
| How do others contribute to your information footprint? | Give some examples!                 |
| Who would want to build a portrait of you?              | What can they infer from your data? |

Give an example of what could happen if a criminal gathered your information!

## What Will You Change?
