“You’re Leaving Footprints” Presentation

**Graphic Organizer**

By the end of today, I will be able to...
- Identify and give examples of online and offline activities that contribute to my information footprint.
- Identify at least three ways to change the size and impact of my digital footprint.

**Principle:** ____________________________________________________________________________

**Video Notes**

<table>
<thead>
<tr>
<th>What information do you purposely share online?</th>
<th>What about the video surprised you?</th>
<th>What information do you share online, but NOT on purpose?</th>
</tr>
</thead>
</table>

**Questions**

- What’s metadata?
- What are some places you can find metadata?
- When you use a website or app, what kinds of metadata do they collect?
- What kinds of information can be metadata?
Extend Your Thinking!

How do others contribute to your information footprint?  
Give some examples!

Who would want to build a portrait of you?  
What can they infer from your data?

Give an example of what could happen if a criminal gathered your information!
